Rajiv Gandhi National Drinking Water Mission

3175. SHRI ANAND SHARMA: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) the allocations have been made for the Himachal Pradesh, Uttar Pradesh, Rajasthan and Haryana in the Rajiv Gandhi National Drinking Water Mission during the Tenth Plan and Eleventh Plan; and

(b) the percentage of coverage under the Mission for these States for providing potable water to the people?

THE MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI A. NARENDRA): (a) Rajiv Gandhi National Drinking Water Mission administers two centrally sponsored schemes viz., Accelerated Rural Water Supply Programme (ARWSP) and Central Rural Sanitation Programme (CRSP). CRSP is a demand driven programme and the release of funds under this scheme is not allocation based. However, ARWSP has allocation-based components. The allocation under these components is made on yearly basis. The allocation made to Himachal Pradesh, Uttar Pradesh, Rajasthan and Haryana during 2002-03 to 2005-06 (during 10th Plan)under allocation-based components of ARWSP are indicated in the following table:

(Rs. in lakhs)

Sl. No.	Name of State	2002-03	2003-04	2004-05	2005-06
1	Himachal Pradesh	5643.00	5607.19	6115.36	11855.82
2	Uttar Pradesh	13022.00	12618.91	14612.06	28372.10
3	Rajasthan	26750.00	24217.77	32106.71	48614.72
4	Haryana	2946.00	2896.23	2953.48	4101.69

No allocation has been made for the Eleventh Plan.

(b) As per Comprehensive Action Plan 1999 (CAP 99) and the coverage made thereafter, as on 1.4.2005, all habitations included in CAP' 99 have been covered with the stipulated level of potable drinking water supply of 40 lpcd in Haryana and Uttar Pradesh. The coverage percentages in respect of Himachal and Rajasthan are 84.8% and 97.6% respectively.
